Nomination and Election of Lodge officers

Another fraternal year is nearing the end and officers for the ensuing year are to be elected. Nominations for these offices shall be during the regular meeting of February 7, 2017. "Nominations for offices to be filled at the annual election in Lodges shall be made in the order they appear in section 2 of Article VII of the Constitution of the Order at any regular meeting of the Lodge after the first day of February and prior to the date of the annual election, provided, however, that if no nomination for an office, shall have declined or withdrawn, nominations for that office may be made on the date of the election. If a Member has been nominated for more than one office, they must declare that they accept one nomination before the close of the last regular meeting of the Lodge prior to the last regular meeting of the Lodge prior to the regular meeting at which the election is to be held, and if they do not do so, they must accept only the first nomination. No Member, unless nominated in accordance with this Section, shall be eligible to election at the annual election. Only a Member in good standing shall be eligible for nomination to office in the Lodge in which they are Members.."

Now is the time to be thinking about serving your Lodge as an Officer. There is no higher or rewarding service.
All Offices are open with exception of the incumbent Trustees.

Exalted Ruler's Message:.

Welcome 2017! The New Year has arrived and I hope everyone had a great holiday season.

I would like to thank all those who participated in the Purple Pig program and returned pigs. This is a great way to support the A.E.A. Major Projects and the work they do at the Steele Research Center. Thank you and please continue your support.

On January 3rd the vote to appropriate funds for the lodge expansion to accommodate our smoking members will take place. As you know, I feel this is the most important issue our lodge has faced in recent years. I hope all who come out to vote realize the impact this will have in the coming years. A yes vote will enable our lodge to grow equally for all members as well as provide an additional 900 square feet of badly needed space. I hope all members have attended a town hall meeting and know the facts. We can and should support this addition.

On January 7th the Elkettes will hold their annual rummage sale at the lodge. Please attend as you just might find something that you cannot live without. This is a huge event and supports our wonderful Elkettes in all they do for our lodge.

January 28th will be the annual Charity Ball. By now, everyone should have received their tickets in the mail. This event helps support all the Elks charitable work in the coming year. Let's all participate and hope to see you there.

THANK YOU
Our Thanks to Lisa and Rick Stilson for their donation of a Stereo system to be used in the Lodge Room.

TRUSTEES REPORT TO MEMBERS

My goal this year has been to provide more information to our members, eliminate the rumors and encourage more harmony in our Lodge. If you hear a rumor please check it out with the Club Manager or a Lodge Officer A new Treasurer (Debbie Horton) has been elected to replace long time Treasurer Richard Ross. Our new Club Manager Kevin Brown has made some fantastic changes to the menu and is offering new special dinners. Check the calendar.

We need to respect all our members, either smoking or non-smoking. Our Lodge is the largest and best lodge in the state. We need to continue that tradition by providing an environmentally controlled smoking that makes 21% of our smoking members feel welcome.

I was recently on the Island Princess that had a smoking room in the main atrium for their guests. This is what, we as Elks, need to do so that non-smoking members can enjoy a totally smoke free environment while the smokers have a place to indulge their preference.

So I hope you will join me in voting Yes January 3rd to take out a low interest loan of $121,000.00 to build this environmentally controlled smoking room.

ELKS DO CARE ~AND DO SHARE

Your Lodge members brightened the day for 72 Havasu Youngsters with a clothing shopping spree. The event required many volunteers to accomplish the task. There was a crew of dedicated individuals who organized and carried out the charitable event. The committee volunteers: Paula Salter, Natalia Slater, Lisa Buachard, Rod, Debbie & Michelle Herd, Jim Travis, Rick Stilson, and Ann Chui. In addition there were 80 individuals who graciously gave their time to assist the young shoppers. Also, the event would not have been possible without the heart warming contribution of different clubs and Lodge Members. Your reward is the smile on each shoppers face.

Happy New Year!
I hope you all had a very Merry Christmas, and I wish you only the best in 2017.

We Elkettes have been very busy in the past four months, with assisting at the Horse Races at the family picnic in September, Our Fashion Show Luncheon in October, the annual Craft Fair & Bake Sale and See's Candy sales in November, Kids Turn to Shop in December and what I hope was a memorable Winter Dinner Dance also in December. Special Thanks to Chuck and Eva Fox as Santa & Mrs. Claus at the Winter Dinner Dance.

Now January is upon us and we start the new year with our huge Rummage Sale on January 7, chaired by Sherry Joubert'. February 11 will bring the Sweetheart Dinner Dance to celebrate Valentine Day. None of these events would be possible without the wonderful Elkette Volunteers we are fortunate enough to have. So Kudos to all of you.

We are also preparing for nominations of the Executive Board with elections fast approaching in March followed by the Annual Awards Banquet on March 18. More on this to follow

. I'd also like to mention the upcoming Elks Charity Ball on January 28. It is a very nice formal affair worth attending. I think it's very important that Elkettes support Elks as Elks Support Elkettes. Remember we all Care we all Share.

Respectfully Submitted, Paulette Nainteau
Elkette President 928-680-1654

HOLLY JOLLY PARTY HUGE SUCCESS.
The Elkettes did it again! A fun filled Christmas party was chaired by our Elkettes and as usual it was an overwhelming success.
Event committee: Kay Wdowiak, Barbara Frost, Dianne Bridge, and Elkettes President Paulette Nainteau. Mr. and Mrs. Santa livened up the evening with their presence and the Havasu Community Choir put all in a festive mood with carols.

CLOTHE-A-CHILD

Editors Note! This write up so impressed me that I am sending for all to read.

"Clothe-A-Child has come, and though the workload has been lifted and there is a bit of relief I can't say that I am not a little sad that it is gone. I cannot begin to express what a joy it was working with all who helped bring this program together. I want to extend a warm thanks to all Elk's Clubs for their generous support. The service you show each year is inspiring to say the least. The success of this event would have been impossible without the absolute outpour of support, involvement, and love from our entire community; from organized clubs, individuals met on the street or in a store, and former Clothe-A-Child child who came out in full force to make this an exciting and special Christmas for 72 pretty exciting and special kids.

It warmed my heart to see so many happy children proudly showing off their new shoes, grinning at themselves in the mirror in a new jacket and especially to watch their eyes light up and huge smiles spread across their little faces when at the end of it all, they were sent home with another treasure. And treasurers they were! I mean it. I want to say thank you and a job well done to all who contributed gifts and took the time to wrap ten so beautifully. I can tell you it meant a world to the kids. Finally, a special thanks to our community sponsors: Accurate Care, High Desert Healing, and Selman and Associates. It is truly amazing to see great businesses giving back to the community who helped build them. I sure had fun getting to know all of you and I simply can't wait to do it all again next year. "
Sincerely: Debbie Herd Clothe-A-Child chair.

Winter Visitors Have Returned.

This is the Lodge's busy time and a time for all members to remember the Motto you pledged to uphold: "The faults of our members we write upon the sand, their virtues upon the tablets of love and memory."

And the foundation and groundwork of our Order: "To do unto others and we would they should do unto us."

Crowding conditions require a good deal of patience and it is incumbent upon each of us to practice these noble virtues.

Hose Rule : "Loud, boisterous, vulgar or obscene language or conduct unbecoming an Elk will not be tolerated from members or their guests, at the jeopardy of their Club privileges."

Golf Club News: 2017

It's been a pretty good year for the golf club. The golf club made a charitable donation to Haven House following our last scramble and meeting. The Presidents Cup tournament is in its last week as I write. The results with be in next months news. The Refuge Golf Course is treating our club like true members and every person in our club appreciates this without doubt. I would like to thank Jerry Pockrandt and Dan McNulty for all the great work they have been doing every week for us. This is not an easy job trying to keep all of us duffers straight. Also a big thanks goes out to Jerry Downing for being our away tournament chairman this past year, he did one heck of a great job. So we are still looking for a new away tournament chairman. If you have any interest, please contact myself, Dan or Jerry Pockrandt. A new hole-in-one fund will begin Jan. 1st 2017. A list will be coming out to register for the hole in one fund. 1US dollar to get into the side pot. New shirts and hats will be available to order the first week in January. VAGABONDS NEWS January 2017

It's getting close to Christmas and I hope everyone has been good this year so you get a visit from Santa. This is a time of giving and over indulging. We can worry about our diets in January, but for now, I hope you are enjoying the season.
Speaking of giving, our club donated $500 to Clothe-a-Child. This is always a very rewarding day taking the kids shopping to fill their wish list of clothing items. They are excited to go to school and show them off.
As I write this, our Christmas party is right around the corner. One Eyed Romeo will be playing so I know there will be lots of dancing and enjoying the music. Of course, the food will be delicious as Kevin and his helpers display their culinary skills.
Our next event will be Quartsite in January. That's always a lot of fun with the big white tent and lots of RV products. We originally thought the tent moved to Yuma, but it has survived another year in Quartsite. This will be dry camping, off-roading and campfires. Of course, there will be happy hours and plenty of good food. That town comes alive in the winter and we do our part having fun there.
Don, Gloria, Debbie and I wish everyone a very Merry Christmas and a Happy and Healthy 2017.
Hope to see all of you next year at the Lodge or camping.
Marti Johnson
Vagabonds Secretary
