# ELK'S LODGE #2399

## You Are Invited to Enjoy Our Club Facilities

Our dining room and bar are open seven days a week. Our dining menu has a nice variety to fit your budget and live music for your dancing pleasure.

You will find that our Lodge is a very busy one! Approaching 4,000 members plus the influx of Snowbirds during the winter months, the Dining room can get pretty busy. If you wish to dine with us it's a good idea to get there early. Please check our Calendar in the Kiosk near site 7 to see the dining room hours and when being served.
