Exalted Rulers Message

Greetings fellow Elk brothers and sisters. As the new Fraternal year has begun, I would like to thank all of you who have supported me and had confidence in me throughout my first term of Exalted Ruler and are now supporting me in my second term as Exalted Ruler. We have an amazing Lodge that is the largest in the state of Arizona and now the 3rd largest Lodge in the nation with membership growing every month. With the continued support of all our members, we will continue to be the amazing Lodge that we are.

I would like to thank all of the Officers, Staff and of course our amazing Volunteers from the last fraternal year for their continued service and support of our lodge. I would also like to congratulate all the incoming Lodge Officers who were recently sworn in. I look forward to working with all of you this Fraternal year. Without all of these people working together, we would not have such a great Lodge.

As you all know, we have expanded our Lodge with an additional 5,000 square feet of space, which was a very needed expansion of our dining area. As you all have probably noticed, there are Emergency Exit Only signs on the doors of the new dining area. The doors of the new dining area are not entry doors. All members must enter the lodge through the main front door or the entry door near the office. All members must also exit the lodge from those two primary entry/exit doors. The doors in the dining area are strictly Emergency Exits Only and an alarm will sound if the doors are opened at any time. Members are not to open those doors to let other people in and members are not to use those doors as an exit unless there is a valid emergency. The dining room doors are designed for rapid, unimpeded evacuation in the event of an emergency. Please adhere to these rules so that we may keep our members safe.

The month of May was a busy month with the annual family swim day, the Arizona Elks Association Convention, Mother's Day, and LCR. Coming up in June, we have Flag Day on the 14th at 11am, Father's Day Brunch on the 21st at 10am and LCR on the 28th at 11am.

Let's not forget our weekly activities. The Queen of Hearts on Mondays with ticket sales beginning at 4pm and tickets available at the bar throughout the week, Country line dancing on most Mondays beginning at 7pm. Bar Bingo on Wednesdays with ticket sales beginning at 5:30pm, Bingo on Thursdays with the doors opening at 4pm and Karaoke in the dining room beginning at 7pm. So come out and have fun and enjoy our lodge or become a volunteer to help keep our lodge running smoothly.

I look forward to serving as your Exalted Ruler this year and hope to be seeing you around the Lodge as well as attending our Lodge meetings and House Committee meetings.

Fraternally,

Pam Depweg

GOLF CLUB NEWS

Hello Elk Golfers and those who are Elk members that don't golf.

First, I'd like to congratulate Rick Bachelor for his hole in one April 28th on hole number 15 of the Lake Havasu Golf Course East Course.

I'm going to talk about a couple of anomalies that involve two of our golfers with numerous years of experience. The first is Bob Horn, he had a "Tin Cup" moment on hole number ten of the East Course. I learned on this day that Bob is not a quitter, he hit his first tee shot into the water then an additional five from the drop zone for a grand total of six balls into the water. But he was on his game with a one putt for a "14," what dedication!

Secondly, I thought Bob's feat could not be out done, but I was mistaken. On our regular Tuesday golf day of May fifth, Frank Skuse was on hole number six of the West Course. He hit a ball into the water. Being frugal, not wanting to leave the ball in the water, Frank walked over to the edge of the water, then for some reason unbeknownst to the three other golfers in the foursome Frank decided to take an afternoon dip in the pond. Fortunately for Frank, the other golfers were able to help him out of the pond. But wait, there's more, Frank never got the golf ball out of the water, so he decided to take another dip in the pond. What was he thinking? Well, he was rescued once again, but fortunately Joel Gricar was able to get a photo of what he thought was a giant turtle climbing out of the water, unfortunately it was only Frank, Joel was disappointed. I think Rod Thompson fished Frank's ball out of the water on Wednesday.

Also, our June outing is in Mesquite Nevada scheduled for the first through the fourth with three nice golf courses scheduled, Palms, Casa Blanca and Canyons. Hopefully we'll have a good turnout for the golf outing. All additional information on our away outings is on the Elk Golf website. www.lakehavaselsksgolf.com
