November 2026

***** EXALTED RULERS MESSAGE ****

Greetings Elk family,

The end of summer and beginning of fall starts our busy season with our snowbirds beginning to arrive and many of our yearly regular activities starting up. Our local kids returned to school in August which began the yearly youth activities for our lodge. The Drug Awareness Poster and Essay contests as well as the Americanism Essay contest are in full swing at all the elementary and middle schools in the community. Those posters and essays will be collected at the beginning of November for judging at the local level.

On October 11th our lodge had its first round of Hoop Shoot at the Lake Havasu Aquatic Center with the second round of Hoop Shoot scheduled for November 6th also at the Lake Havasu Aquatic Center. Over the weekend of October 17th, several lodge officers attended the Arizona Elks Association Mid-Year Convention in Mesa, Arizona. At the convention, the raffle ticket for this year's vehicle was drawn. The lucky winner was from the Chandler Elks Lodge. On October 18th, the scholarship committee held a silent auction to raise funds for scholarships. On October 20th, we initiated 9 new members into our lodge. Congratulations to our new members. On the 25th, the Elkettes hosted the monthly LCR game where a great time was had by all. On October 31st, our lodge had a booth on Main Street for the annual Fright Night where once again our Youth Activities group handed out candy. The Lodge had a Halloween Party with music by Tim Hope.

Be sure to check out our calendar for the upcoming November events and let's not forget our weekly activities. NFL package on Sundays with a special Sunday Bar Menu. The Queen of Hearts on Mondays with ticket sales beginning at 4pm, Country line dancing on most Mondays beginning at 7pm. Bar Bingo on Wednesday Nights beginning at 6pm. Bingo on Thursdays with the doors opening at 3pm and Karaoke in the dining room beginning at 6pm. So come out and enjoy your lodge.

Thank you everyone for supporting our many charitable programs. The Great Heart of Elkdom is alive and well in our lodge.

Fraternally,

Pam Depweg

!! ATTENTION, PLEASE READ !!

Dear Members,

WHY ARE WE INCREASING FOOD AND DRINK PRICES

We understand that price increases are never welcome, and we want our membership to understand why adjustments to food and beverage prices are necessary.

As a nonprofit organization, our mission is to serve our members and support our charitable programs and community. However, being a nonprofit does not mean we can operate at a loss. We have a responsibility to ensure that our Lodge remains financially sustainable and able to continue serving our members for years to come.

The cost of food, beverages, supplies, labor, utilities, and other operating expenses continues to affect our ability to cover the true cost of providing these services. When prices do not reflect our actual costs, the Lodge must make up the difference from other operating funds. This is not a sustainable business practice.

We are making necessary adjustments to bring our prices more in line with the cost of goods and the expenses associated with operating our restaurant and bar. These changes are part of our ongoing effort to improve financial accountability, reduce operating losses, and protect the financial health of our Lodge.

Our membership dues are not intended to subsidize the ongoing cost of food and beverages. Dues support the organization and its mission, while restaurant and bar operations need to generate sufficient revenue to cover their own expenses.

We recognize that some members may be accustomed to previous prices or expect additional benefits because they pay dues. We value our members and appreciate their support, but we must balance member service with responsible financial management. Keeping prices artificially low may seem beneficial in the short term, but continued losses ultimately threaten the services and programs we all value.

These increases are not intended to create excessive profits. They are intended to help us cover our costs, operate responsibly, and preserve the Lodge for the benefit of our members and the community.

We appreciate your understanding, patience, and continued support as we work together to strengthen our Lodge financially and ensure its future success.

Fraternally, Lodge Management

Understanding Membership Dues and Lodge Benefits

There appears to be a perception among some members that paying annual dues entitles them to free food, drinks, or other amenities at the Lodge. It is important to understand that membership dues support our organization, its mission, and its ongoing operations. They do not entitle members to unlimited complimentary goods and services.

The Lodge operates as a nonprofit organization, but that does not mean it operates without expenses. We must cover the cost of food, beverages, labor, utilities, maintenance, insurance, and other operating expenses. Every item provided at no cost still has a cost to the Lodge, and those expenses ultimately affect our financial stability.

Our responsibility is to protect the Lodge's financial health so we can continue serving our members and supporting our charitable mission in the community. We cannot sustain operations if we continually give away products or services that we must pay to provide.

Membership is about belonging, fellowship, and supporting our mission—not receiving everything at no charge. We want our members to enjoy the Lodge, participate in its activities, and take pride in what we accomplish together. At the same time, we must be responsible stewards of the organization's resources.

If we expect the Lodge to remain strong and continue its charitable work, we must all recognize that the cost of doing business must be covered. Responsible spending and fair pricing are not about taking benefits away from our members; they are about ensuring that the Lodge will be here for years to come.

ELKS LODGE BAR POLICY

Standard Pour and Responsible Service Policy

1. All single liquor drinks will use a standard 1.5 ounce pour unless an approved recipe specifies otherwise.
2. Doubles and premium or specialty drinks must follow established recipes and approved prices.
3. Jiggers or calibrated dispensing equipment must be used to maintain consistent portions.
4. Free-pouring, unauthorized extra liquor, and complimentary drinks without management authorization are prohibited.
5. Beer, wine and cocktails must be served in accordance with established portion standards and applicable alcohol-service requirements.
6. All employees must comply with responsible-service procedures, including refusing service to obviously intoxicated patrons.
7. Management will periodically review inventory, sales, and pour consistency to identify discrepancies and protect Lodge finances, Lodge members and bartenders.

THE LODGE HAS TO ABIDE BY THE ARIZONA STATE LIQUOR LAWS

Every drink has a cost, and every pour must be accounted for. Standardizing pours protects the Lodges financial resources, ensures members are treated equally, and helps reduce the risk associated with alcohol service. As a non-profit , the Lodge must be especially careful to protect the resources entrusted to it.

A standard pour is not about taking something away from members, It is about responsible service, financial stewardship, and protecting the Lodge.

GIVING TREE

Adopt-a-Child for Christmas

'Tis the season for giving and the Elks are once again working with H.A.V.E.N. Family Resource Center to provide Christmas to about fifty (50) local foster children in Lake Havasu City, ranging in age from newborn to 17 years old.

In early November, the Christmas Giving Tree will be set up in the lobby outside the office during regular business hours. Here you can choose the tag of a child to adopt for Christmas. Remember to check-in with the Office Staff to let them know who you have chosen to adopt.

If you would rather give a cash donation to support this charitable program, drop by the Office. Let the ladies know to earmark it for Giving Tree. We do need cash donations to ensure all children on our list receive clothes and a gift for Christmas. In addition, we provide either a duffle bag or backpack to each child to hold their personal belongings.

Thank you for supporting the children of our community. Kathy Fairbank – Giving Tree Chair.

ELKS YACHT CLUB NEWS

Ever wonder where the word WAPITI came from?

The ELK, or WAPITI as it is called by the American Indian, is a large member of the deer family.

This beautiful animal may stand up to five feet tall at the shoulder and weigh up to 1000 pounds. The largest elk herds now live in Yellowstone National Park, on Montana's Sun River, and in
Washington's Olympic Mountains.

Dear Members,

The October Bratfest music by Fritz put everyone in a festive mood, gearing us up for our upcoming Fall activities.

Our next Yacht Club function is the Chili Cookoff on Saturday, November 7th, in the main dining room. We have 13 cooks competing for 1st, 2nd, and 3rd place trophies for "Best Tasting Chili." There will also be a "People's Choice" category winner!

Plans for the Commodore's Ball are currently underway, so stay tuned for more details.

Additionally, the Yacht Club Bowling group will meet at Havasu Lanes on Friday, November 20th, at 3:00 p.m. Please arrive early to sign up or cheer on your favorite bowler.

If you are an Elk and interested in joining our group, please join our meetings on the 3rd Saturday of the month at 2:00 p.m. (excluding December). Come early to enjoy a hot dog and a drink!

Happy Fall,
